Request for Proposal

Firefighter Structural Turnout Gear

The York County Office of Fire and EMS Assistance is soliciting proposals for the potential group purchase of Firefighter Turnout gear.

Proposers are asked to present proposals for structural turnout gear that meets or exceeds NFPA 1971 (Standard on Protective Ensembles for Structural Fire Fighting and Proximity Fire Fighting), Maine Title 26 Chapter 28 (Minimum Safety Standards for Firefighters) and Maine Bureau of Labor Standards Compliance Directives. Items must be authorized for sale in the State of Maine.

Proposals must include pricing for a complete firefighter's ensemble. The pieces of an ensemble include helmet, coat, pants, boots, suspenders, gloves, and hood. List accessories and options offered.

Include prices of those accessories, options, and any incidentals. Include freight/shipping costs and suggest methods to avoid or reduce shipping costs. Pricing lists must contain pricing for purchase of pieces individually and as a complete ensemble. Proposers should include their minimum requirements for bulk purchases. Pricing must remain valid until June 30, 2020.

If a manufacture offers several models or designs of pieces of an ensemble, proposers should submit each model or design as a separate item.

Proposals shall include approximate number of days from order to delivery.

These proposals will be used to establish a list of vendors, products, and pricing for area fire departments to order from. Departments may order directly from the list or consolidated purchases may be made.

The county reserves the right to accept or reject any or all proposal at any time for any reason and to waive any formalities.

Deadline for proposals September 1, 2020.

Submit proposals to:

York County Fire & EMS Office
ATN Chief Hooper
